Our History

Established Since 1971

For over 50 years, Colonial Securities, Inc., has been servicing our community and clients. We are a financial services firm and some of the products we offer are stocks, options, mutual funds, Exchange Traded Funds (ETFs) and IRA accounts. We take pride in providing personalized service catered to each of our client's specific needs and goals. We have built each relationship based on trust and integrity. We will continue to provide the same level of service and dedication to all our clients and future generations.
